

Government & Nonprofits. Ease your procurement burden.

With our team of experts, we will guide you to make it easy to get the maximum discount and the absolute best possible pricing. Get straight to the bottom line and don't waste valuable time. Our procurement partnership is dedicated specifically to State and Local Government, Nonprofit Organizations, Parks and Recreation, K-12 Education, Colleges and Universities. It's time to leverage your purchasing potential and combine it with the local service and support from Carolina Golf Cars. Whether it's a just a single utility cart for your nonprofit or an extended fleet for your university, city park or corporate campus, you can count on us to deliver & keep you happy!

State and Local Government

Providing agencies the most competitively solicited contracts to help save time and resources while still meeting their purchasing requirements. Giving state and local governments the power to deliver value through a competitive procurement process and combining it with a supplier they can trust.

Nonprofit Organizations

Reducing time and expenses so nonprofit organizations have more resources to put towards the programs that support the mission they are passionate about.

Schools, Colleges and Universities

Offering immediate solutions to help K-12 schools, colleges and universities achieve their strategic goals. Bring efficiencies and speed to the purchasing process so that schools can acquire what is needed for success.

Carolina Golf Cars is proud to be partnered with the most experienced cooperative purchasing organization making purchasing easy, less expensive and more time efficient. Please feel free to contact us to get started.
